

PFMC-20

20TH INTERNATIONAL CONFERENCE ON
PLASMA-FACING MATERIALS AND
COMPONENTS FOR FUSION APPLICATIONS

LJUBLJANA, 19 – 23 May 2025

You are cordially invited to join us at the
20th International Conference on Plasma-Facing Materials
and Components for Fusion Applications
from 19th to 23rd of May 2025
in the lively and historical city of Ljubljana,
the capital city of Slovenia.

The conference will take place at the
Grand Hotel Union Eurostars,
Miklošičeva cesta 1, 1000 Ljubljana, Slovenia.

Topics

- Tungsten, tungsten alloys, and advanced steels
- Low-Z and liquid materials
- Erosion, re-deposition, mixing, and dust formation
- Fuel retention and removal
- Materials under extreme thermal and particle loads
- Technology and qualification of plasma-facing components
- Neutron effects in plasma-facing materials
- Fusion devices and edge plasma physics

Scientific Programme Committee

Jan Coenen, Germany (Chair)
Sebastijan Brezinsek, Germany
Takeshi Hirai, ITER
Thomas Schwarz-Selinger, Germany
Robert Kolasinski, USA
Marianne Richou, France
Guang-Hong Lu, China
Thomas Morgan, NL
Yasuhisa Oya, Japan
Daniel Primetzhofer, Sweden
Anna Widdowson, UK

Local Organising Committee

(Jožef Stefan Institute, Slovenia)
Sabina Markelj (chair)
Petra Jenuš (co-chair)
Andreja Šestan-Zavašnik
Aljaž Iveković
Mitja Kelemen
Esther Punzon-Quiorna
Klemen Bučar

Important Dates

October 7th, 2024	Start “Abstract Submission”
January 15th, 2025	Deadline “Abstract Submission”
March 5th, 2025	Notification for Authors
February 3rd, 2025	Open registration
March 28th, 2025	Deadline “Early Bird Registration”
April 28th, 2025	Final Deadline Registration

Jožef Stefan Institute, Ljubljana, Slovenia
